

Fire Compliance Consultancy

PreciseFire™
The Right Choice

Precise Fire provides a full service, in-house compliance consulting solution.

Our goal is to ensure you meet your compliance obligations and provide a safe, secure facility for your occupants and the community.

Led by an accredited* Fire Compliance Manager, our independent team has a depth of experience in providing a range of services to customers across all industries:

- Annual fire safety statements (AFSS)
- Supplementary fire safety statements
- Fire safety audits and maintenance certification
- Fire safety certification for system installations
- Review and management of Council Fire safety and upgrade orders

We also provide:

- Review of fire engineering reports
- Fire safety upgrades
- Installation audits
- Post construction compliance audits prior to the end of the defects liability period.

*All consultants are personally accredited under the Fire Protection Accreditation Scheme (FPAS) and as a result our certifiers act independently.

Precise Fire's Compliance team are fully supported in maintaining their integrity under this Scheme.

Contact our Fire Compliance Manager Carl Von Korff on **1300 728 580** to discuss how Precise Fire can help you meet your compliance obligations.
